Re: Frank E. Tinker, applying
to serve as Neighborhood Comm'r.

Dear Mr. McLean:

On your recent Transmittal Report No. 19, you included the Scouter application for Frank E. Tinker, P. O. Box 123, Hartsboro, Alabama to serve as Neighborhood Commissioner, District 7. We regret to inform you that we cannot accept Mr. Tinker's application, and are herewith refunding his registration fee of 50 cents.

When informing Mr. Tinker of this, please be sure to make no mention of the Confidential File. If he questions this action, may I suggest you indicate to him that you have no knowledge of any reasons, but that the Boy Scouts of America is not required to accept applications from all who apply, but rather reserves the right to register those whom it feels are best qualified to give leadership to this character-building and citizenship training program. In making these decisions, the National Council never gives any reasons nor does this action contain or imply any accusations.

Please delete Mr. Tinker's name from your records.

Sincerely yours,

Dear Mr. McLean:

At the current intermediate school at Schiff, your staff man, Dick Graham, asked me to check out whether the reasons for our not accepting a registration from a Mr. Frank Tinker of Martsboro, Alabama were such that we might consider removing him from the confidential file.

Upon my return to the office I did as he asked and I have reviewed Mr. Tinker's file. Would you be good enough to please tell Dick Graham that I regret very much our inability to remove Mr. Tinker. The nature of the information we have about him is such that we will never again, knowingly, be willing to accept his registration in the Boy Scouts of America.

Sincerely yours,

Dear Howard,

In regards to yours of February 19, 1965 and Frank E. Tinker, our District Executive again interviewed the pastor of the Springhill Missionary Baptist Church (head of sponsoring institution) who gave the following statement:

"MR. TINKER was involved in homosexual relations with a Boy Scout in the troop (54) on troop camping trips. The incident was related to the pastor by another Scout. The pastor immediately began consultation with Tinker and the Scout involved. Tinker resigned his job with International Paper Co. in Springhill, La. and moved to Alabama where he has been re-employed as a Forester. There have been no sworn statements of complaint from boys or parents. The minister has worked closely with the boy involved and he is progressing well toward overcoming the experience. The incident has been kept quiet to the extent that only three adult troop committmen and the pastor are aware of it. Mr. Tinker's family is still in Springhill where his wife teaches school. The community nor the Scouters of Springhill are aware of the problem. The troop is being reorganized under new leadership."

I hope this information is sufficient. It is about all we can get out of the minister.

Sincerely,

Raymond L. Owens,
Scout Executive

Re: Frank E. Tinker
Former Scoutmaster Tr. 54

Dear Mr. Owens:

Thank you for the confidential record sheet you have recently returned concerning Frank Tinker. This information will be very valuable in future identification.

Since the only statement you have so far given us is in your letter of January 20th where you say: "This pastor has been counseling him on the problem of homosexuality", we do need to have additional information if it is possible for you to furnish it for us.

What is the nature of the case that caused his pastor to have to counsel him on this problem? Were there any Scouts involved? Was it a court situation? Are there any affidavits from parents, or boys, or others? We will appreciate your sending us whatever material of this nature you possibly can, together with a more detailed explanation of the situation.

Thanks very much for your helpful cooperation.

Sincerely yours,
